NO. 34.

## Raid on Estill Shiners.

Two more moonshine operators struck hard luck in Estill county last week. Dave Richards and Henry Johnson had their still on Buck creek destroyed by deputy marshals and were themselves arrested.

## County Clerk to the Pen.

Clay Combs, County Clerk of Owsley county, has been tried and convicted of violation of the election laws, the jury returning a verdict of two years in the penitentiary. Combs' offense was the substitution on the ballots under the Republican device of a list of names other than those regularly nominated for the county offices.

## Puts an End to It All.

A grievous wail oftentimes comes as a result of unbearable pain from over taxed organs. Dizziness, Backache, Liver complaint and Constipation. But thanks to Dr. King's New Life Pills they put an end to it all. They are gentle but thorough. Try them. Only 25c. Guaranteed by Swann-Day Lumber Co's Store.

Curtis and wife, Mrs. Annie Curtis, of Ford, Mrs. Mary E. Duncan, Burl Henry and Leroy Everman, Charley Curtis and Mrs. Lena Fisher. All report a nice time.

## The Death Penalty.

A little thing sometimes results in death. Thus a mere scratch, insignificant cuts or puny boils have paid the death penalty. It is wise to have Bucklen's Arnica Salve ever handy. It's the best Salve on earth and will prevent fatality, when Burns, Sores, Ulcers and Piles threaten. Only 25c, at Swann-Day Lbr. Co's.

The dry weather which had prevailed for the past two weeks, was checked by a good shower yesterday afternoon.

## Suicide Prevented.

The startling announcement that a preventive of suicide had been discovered will interest many. A run down system, or despondency invariably precede suicide and something has been found that will prevent that condition which makes suicide likely. At the first thought of self destruction take Electric Bitters. It being a great tonic and nerve will strengthen the nerves and build up the system. It's also a great Stomach, Liver and Kidney regulator. Only 50c. Satisfaction guaranteed by Swann-Day Lbr. Co.

## September Number.

The women who clamor for advice—how to turn their time and talents to account—will receive many valuable hints from the series of articles entitled "Profitable Industries for Women," which is begun in the September number of the NEW IDEA WOMAN'S MAGAZINE, under the heading of "Poultry-raising," from the pen of Sarah E. Slater. The new department of "Correct Dress for Men," also begun in the September issue and contributed by Hawthorne, a well-known authority in haberdashery, bids

fair to be of paramount importance in this periodical, because many women do much of the shopping for the men of their families and are glad to have suggestions. Every item in the September number, either technical or fictional, is of more than passing interest.

## Irvine Items.

[Irvine Herald.]

J. F. West left yesterday for San Francisco, Cal., where he will make his brother, Leonard West, an extensive visit.

The court day dinner given by the ladies of the Christian Church Monday was liberally patronized, and about \$20 were realized.

Eld. D. G. Combs closed a two week's protracted meeting at Station Camp Sunday. About fifty additions were made to the church.

Prof. Cutter, of Richmond, came up Monday and was with the band Monday and Tuesday nights. The boys are considering a proposition to engage him regularly as soon as his contract with the Richmond band expires.

## A Difference.

Witness the difference. Jas. B. Marcum, a Republican, was killed by Curt Jett, a Democrat, and it is more than suspected that the murder was instigated by other Democrats high in authority. Yet every Democratic paper has clamored for the conviction and execution of the murderer. A few years ago Gov. Gooble, a prominent Democrat, was killed by a Republican, and as the result of a Republican conspiracy. Yet every Republican paper has been moving heaven and earth to secure the release of those charged with the crime and have thrown every possible obstacle in the way of the prosecution.—Winchester Democrat.

## End of Bitter Fight.

"Two physicians had a long and stubborn fight with an abscess on my right lung" writes J. F. Hughes of DuPont, Ga. and gave me up. Everybody thought my time had come. As a last resort I tried Dr. King's New Discovery for Consumption. The benefit I received was striking and I was on my feet in a few days. Now I've entirely regained my health." It conquers all Coughs, Colds and Throat and Lung troubles. Guaranteed by Swann-Day Lbr. Co. Price 50c, \$1.00. Trial bottles free.

## Ice Cream Supper.

The Ladies Aid Society will give an ice cream supper and bazaar in the park Saturday night. If it rains it will be in the new Presbyterian church. The ice cream will come from Lexington.

## Sheriff's Tax Sale.

I, or one of my deputies, will, at the court house door in Stanton, Ky., on Monday the 7th day of Sept., 1903, sell to the highest and best bidder for cash, that tract or parcel of land on Cow Creek, bounded on the West by County road; on South by N. C. Martin; on East by Green; Adams; on North by land of Martin Bros., and containing about 50 acres, or so much thereof as will satisfy the sum of \$3.18 being the tax due State and County from A. T. Crow for year 1902.

Thos. Boone, Sheriff Powell Co.

## Dynamite in Jail.

Isaiah Rome, a young negro who is confined in jail, found a few days ago a couple of sticks of dynamite in an unused water pipe. One of them had cap and fuse attached and together they were enough, if rightly placed, to destroy the building. It is not known how it came there or for what special use it was designed. Some think it was secretly conveyed to the interior of the jail while Jett and White were inmates, while others think it was placed there more recently.—Winchester Democrat.

## Farm For Sale.

Ninety acres of good land well improved, at Lilly's Ferry, one mile west of Spout Spring. Well watered, fine orchard, good dwelling of six rooms and all necessary outbuildings. Good neighborhood and other conveniences. Will sell at a bargain. ALLEN OSBORN, Spout Spring, Ky.

## The Balance Wheel

Look inside your watch a moment. The balance wheel is making 18,000 vibrations an hour, if it's in good condition. If the movement is sluggish, there's something wrong. It will move 3,558 miles in a year, and requires less than one-tenth of a drop of oil to make it run. But it needs that little badly. The least degree of friction on the bearings alters the motion. Don't take chances. Let me clean and oil and put your watch in order for a year. It will pay and satisfy you.

## Ahead in Flour?

Well, we should say so! So far ahead that our

### Best Patent and Mountain Lily

have become standard brands. There are hundreds of flours to choose from, but the housewives know that MANSFIELD'S is the best. It is milled from the very best wheat on an up-to-date roller mill, run by water power. It is white and has the natural taste and flavor of the wheat berry. That is why we are ahead in flour.

Buy it from your grocer. No greater cost, but much greater value.

### SPOUT SPRING.

Mr. Joseph P. Wright is visiting relatives in Madison county this week.

Mosie McKinney is visiting his sister, Mrs. Geo. W. Lewis near Mt. Sterling.

Several from this place were among the court day crowd at Mt. Sterling Monday.

Miss Lillie Tipton is progressing nicely with her school and is giving universal satisfaction.

Mrs. Madge Lewis, of near Mt. Sterling, is visiting her father, Jas. F. McKinney and other relatives in this community this week.

Mrs. P. C. Pryor was called Monday to the bedside of her daughter, Mrs. Ray McKinney, at Waltersville who is very sick at this time.

Revs. V. B. Dugaetee, W. B. Ragan and Pastor P. H. Willis began a protracted meeting at the Methodist church Monday night, and are holding quite an interesting meeting.

News has reached this place that Mr. J. S. Chambers, of St. Omer, Ind., is dead. Mr. Chambers had numerous relatives in this and Powell counties who will regret to learn of his death. He married a Miss Pasley, of this county. They were visiting old Kentucky folks in this county four years ago.

### ANNOUNCEMENTS.

#### FOR REPRESENTATIVE.

We are authorized to announce ALBERT EASTER, of Powell county, candidate for Representative of the 73rd Legislative district composed of Estill and Powell counties, subject to the action of the Democratic party.

#### Mr. Byrd Represents Us.

Floyd Byrd, one of the prosecution's attorneys in the Jett-White trial at Cynthiana last week, said that Ewen, the star witness against the accused, and whose testimony had been brought in question by a number of Powell county men, had a better reputation than any man who testified against him. The TIMES don't believe in slandering unwilling witnesses who are forced to testify in a case simply because it is to the benefit of the opposite side to do so, and it should not be tolerated. This is what Mr. Byrd tried to do at Cynthiana last week.

The Powell county witnesses are all honorable men, each possessing a stainless character, and when Mr. Byrd asserted to the contrary, he passed an insult to the whole county which will be remembered by Powellites for days to come. The witnesses from this county testified to words of truth, and two-thirds of the number were strangers to Mr. Byrd who knew absolutely nothing against a one of them. In this particular, the noted attorney exhibited a spirit of littleness and the same is indignantly resented by our people.

#### More False Reports.

We learn from the daily press that a feud was broken out in Powell county by the killing at Stanton last week. This is unwholesome news to our people, but they must bear it. Powell is classed as a mountain county and must bear her part of the burden if a justifiable killing occurs only once in ten years. Nothing is further from truth than the above statement, and it only tends to prove further that half the matter in the dailies are either false or highly colored.

The Stanton homicide seems to have been wholly justifiable and no feudal nature whatever attended. The victim was a resident of Morgan county, and the slayer was a deputy sheriff of this county. The enmity for the officer was created while the latter was performing his official duty, so the difference was not even a personal affair.

#### Would Raise a Protest.

If there should be an attempt made to levy a tax to build a bridge across Red river or to pike a few miles of our miserable roads, there would be a determined protest and howl going up

from the people of Clay City and Powell county. Yet these same people never say a word when a medicine show or some other skin game comes along occasionally and takes away a few thousand dollars of our hard earned money, leaving nothing in return.

Consistency in this particular is lacking.

There has been enough money wastefully spent on unedifying entertainments in Clay City during the past two months to build an iron bridge across Red river. Instead of that our money is gone and we have nothing in return.

#### Gone Pie Hunting.

L. McCarty, the Republican nominee for Superintendent of Public Instruction, is shown up in quite an embarrassing position. The ballot stubs of the Democratic primary in his county this spring show that Mr. McCarty voted in the primary, thereby pledging his support to the Democratic nominees.

Perhaps Mr. McCarty is running for the office from a business point of view, and still clings to his democracy.

The writer once knew a Democratic paper edited and published by a Republican who said it was purely a business matter, that he published the kind of a paper that was in demand, and one that would yield him an income. He said that his business did not in the least interfere with his sacred political views.

On Saturdays up till midnight and on all public days, the sidewalk in front of the saloon is blocked almost like a circus crowd and often one has to elbow his way through when he passes this route. It is quite embarrassing to ladies to shove their way by when alone. The crowd is composed largely of drunk and half-drunk men who are loitering around waiting for the next drink. This walk is now shunned by scores of decent women on public days. The authorities should see that this nuisance is broken up and that at once.

In this issue of the TIMES appears the announcement of Eld. Albert Easter for Representative of the 73rd Legislative district. Mr. Easter is a fit man for the place and a true-blue and time-tried Democrat. No man in either county is better or more favorably known over the district than he is. He can win and would make a model official in this capacity, and the party would make no mistake in nominating the Rev. gentleman.

The life sentences given Jett and White at Cynthiana last week was very disappointing to the public. If the question of guilt could be agreed upon, no reason can be seen why the death penalty was not imposed. If assassins should not hang, then capital punishment should be abolished.

See call elsewhere in this issue for a mass meeting of Clay City Democrats. It is important that every member of the party be present on this occasion. A strong and complete organization must be effected that we can ably wage the fall campaign.

The Republican convention at Beattyville Tuesday nominated Theo. Blakey, of Beattyville, for Circuit Judge and J. P. Adams, Magoffin county, for Commonwealth's Attorney in the 23rd judicial district.

#### Democrats Take Notice.

The Democrats of Clay City are requested to assemble in mass meeting in the court room Monday, Aug. 24 for the purpose of forming an organization for the fall campaign. Every Democrat in the city is requested to be present at this meeting.

To Morphine From Doctor's Orders.

Habit Worse Than the Disease.

Dr. Miles' Nervine Cured Me.

When the nervous system has been shattered by the use of deadly drugs there is nothing to equal Dr. Miles' Nervine in restoring it to health and normal activity.

"I feel so grateful for what Dr. Miles' Restorative Nervine has done for me that I must tell it for that part of humanity that suffers as I have. During the three years I suffered from nervous prostration I found no relief except when doctors gave morphine. To get rid of suffering I took morphine myself as it was the only thing that would give ease, and now you, who point with scorn at morphine using, how could you, when in such agony, knowing it about the only thing that would give relief, resist it? I knew it was a terrible habit and I knew of its deadly grasp, but I never fully realized its significance until I had used it a number of months. Oh, the misery of being addicted to such a habit. I resolved then and there to quit it and resolved I would never be a slave to any such demon. About this time I happened to notice Dr. Miles' Restorative Nervine advertised and ordered a bottle. After using five bottles I can truthfully say I am cured of using morphine. Now, however much persons may doubt it, God is my witness I am cured. This testimonial is unsolicited but I feel it my duty to give it for the benefit of the suffering."—MATTIE PHILLIPS, Prescott, Ark.

### Not Over-Wise.

There is an old allegorical picture of a girl scared at a grass-hopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar, but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For sale by all dealers in patent medicine.

# Mid-Summer Clearance Sale!

Following up our usual custom of the past few years, of holding a CUT PRICE SALE, we will during the month of August put on sale at greatly reduced prices, our splendid stock of merchandise for the purpose of reducing the stock before invoicing, and also to make room for our fall and winter goods which will begin to come in a little while.

This sale will eclipse anything attempted on former occasions in the way of goods from which to select and prices, and every judicious buyer should take advantage of the splendid opportunity to supply his many wants while this slaughter rages.

We do not want to carry over anything in Summer Goods, and have made the cut so deep that the success of this sale is already assured, and for the bargains of your lifetime, do not fail to come early, for the best things and most desirable always go first.

So remember, for all of August only, and if you can't come, just mail us your order, and it will have the same careful attention as if you were here to look after it yourself.

## Try for Health

222 South Peoria St., Chicago, Ill., Oct. 7, 1902.

Eight months ago I was so ill that I was compelled to lie or sit down nearly all the time. My stomach was so weak and upset that I could keep nothing on it and I vomited frequently. I could not urinate without great pain and I coughed so much that my throat and lungs were raw and sore. The doctors pronounced it Bright's disease and others said it was consumption. It mattered little to me what they called it and I had no desire to live. A sister visited me from St. Louis and asked me if I had ever tried Wine of Cardui. I told her I had not and she bought a bottle. I believe that it saved my life. I believe many women could save much suffering if they but knew of its value.

*Georgia Dunbar*

Don't you want freedom from pain? Take Wine of Cardui and make one supreme effort to be well. You do not need to be a weak, helpless sufferer. You can have a woman's health and do a woman's work in life. Why not secure a bottle of Wine of Cardui from your druggist today?
